

Symposium:

EcoverCity

Education. Architecture. Regeneration.

19th June 2007 09.30am - 16.00pm

The University of Bradford and Arup invite you to be a part of a symposium based on the themes of Education and the Built Environment. Higher Education and urban regeneration are linked on many levels and this event seeks to stimulate architectural debate, inspire practitioners and educators alike and act as a showcase for international innovation in the area of sustainable development.

Speakers include:

Leith Sharp, Harvard University
Alice Owen, Arup
Nick Dodd, URBED
Dr Peter Hopkinson, Clive Wilson & Peter James, University of Bradford

With further speakers to be announced.

Venue

The Norcroft Centre, BD7 1DP
