

# Alumni memberships

As seen in the Braduate, our sports centre has finally been refurbished after 40 years of very little work. It is now a fantastic eye catching building with a new look, new equipment and a new name to go with it; Unique: fitness and lifestyle.

The facilities on offer are far more than we've ever offered; the gym has doubled in size with new equipment, the sports hall has been extended and there are more changing facilities than you could ever imagine and all this is wrapped up nicely with a snazzy new entrance which has been relocated to Great Horton road side.

For the first time the sports centre now has a **graduate membership, which doesn't require you to be a Life member**. It doesn't matter whether you graduate 40 years ago or 4 months ago as long as you can show us your degree certificate. **It costs £20 per month**, which incidentally is the same rate as our staff membership. You get full access to the gym, pool, free weights room and classes. We offer a number of different classes, from traditional classes such as Yoga, Pilates and Step Aerobics to modern classes such as Boot Camp, Boxercise and Salsa Aerobics.

As well as those facilities we also offer others i.e. sports hall, for bookings such as football, basketball and badminton, four squash courts, a much improved climbing wall, and outdoor pitches both Astroturf and grass. All these facilities are not included in the membership price.

We are open Monday to Friday 6:30am to 10:00pm and Saturday and Sunday 9am to 5pm. If you would like any further information please visit [www.bradford.ac.uk/unique](http://www.bradford.ac.uk/unique) or email us at [unique@bradford.ac.uk](mailto:unique@bradford.ac.uk).
