

The Complete Interactive PRINCE2® Foundation Training Package Special Offer for The University of Bradford

ILX Group's accredited PRINCE2® Foundation course for individuals covers all aspects of the PRINCE2® Project Management method. Using voice over and animation, the course is equivalent to the 3 day workshop, but in an easy to use and convenient format. The course consists of several modules covering introduction, basic concepts, processes and themes. The course also includes support from an experienced PRINCE2® trainer. It is ideal for anyone looking to train in a time, pace and location to suit them. It takes around 10–12 hours and once completed you can sit the official exam at an ILX test centre.

What's included?

The package consists of an interactive online course based on the PRINCE2® Foundation syllabus which uses innovative multimedia training and a mock exam simulator. Also included is a case study about setting up and running a PRINCE2® project.

- Online access
- PRINCE2® Process Model
- Mock exam simulator
- FAQ's and keyword search
- Full tutorial support
