

International Darwin Conference, Bradford 24-26 September 2009	
Thursday 24/09 (Morning)	
8.30-9.30 am	Registration
9.30-9.45 am	Introduction: G. Radick
9.45-10.45 am	Professor G. Edelman: Neural Darwinism: How Matter Becomes Imagination
10.45-11.15 am	Coffee Break
11.15-12.45 am	Contributed Papers: <i>Darwinism in Approaches to the Mind</i> <ul style="list-style-type: none"> ◆ A. Hendrie/A.Pickles: Depression as an Evolutionary Adaptation ◆ S. Ashelford: Does Depression need an evolutionary explanation? ◆ T. Taylor: The Problem of Darwinizing Culture
12.45-14.00 pm	Lunch
Thursday 24/09 (Afternoon)	
14.00-15.00 pm	Professor Denis Walsh: Teleology and Evolutionary Biology
15.00-15.30 pm	Tea
15.30-17.00	Contributed Papers: <i>Impact of Darwinism in the Philosophy of Biology</i> <ul style="list-style-type: none"> ◆ A. Hartline: Contingency and Explanation in Biology ◆ F. Elson-Baker: Contested Inheritance: Darwinism, Neo-Darwinism and the Inheritance of Acquired Characters ◆ F. Weinert: Darwinian Inferences
19.00	Conference Dinner
Friday 25/09 (Morning)	
9.00-10.00 am	Professor Anthony O'Hear: Darwinian Tensions
10.00-10.30 am	I. Vine: Response to A. O'Hear
10.30-11.00 am	Coffee Break
11.15-12.45 am	Contributed Papers: <i>Darwinism in the Social Sciences and Humanities</i> <ul style="list-style-type: none"> ◆ E.Earnshaw-Whyte: Breaking the Bonds of Biology – Natural Selection in Nelson and Winter's evolutionary economics ◆ W.Zareba: Does Darwinism Support the Humanities? ◆ G. Munevar: A Darwinian Account of

	Self and Free Will
12.45-13.45 pm	Lunch
Friday 25/09 (Afternoon)	
13.45-14.45 pm	Professor Steve Jones: Is Human Evolution Over?
14.45-15.15 pm	Tea
15.15.-16.45	<p>Contributed Papers: <i>Philosophical Aspects of Darwinism in the Life Sciences and Social Sciences</i></p> <ul style="list-style-type: none"> ◆ M. Akeroyd: Darwin's Theory and Popper's theory of Evolutionary Epistemology ◆ D. Vecchi: Neo-Darwinism and its many Challenges ◆ M. Brinkworth/D. Miller/D. Iles: Epigenetic influences on inheritance: implications for neo-Darwinism? ¹
Saturday 26/09 (Morning)	
9.00-10.00 am	Professor Jon Hodge: Darwin's Legacy
10.00-.10.30 am	Coffee Break
10.30-12.00 pm	<p>Contributed Papers: <i>Reception of Darwinism</i></p> <ul style="list-style-type: none"> ◆ N. Chacón: Nation, Politics and Evolution: Columbian Darwinism in the last decades of the XIXth century ◆ S. Shah: Pre-Darwinian Muslim Scholars' Views on Evolution ◆ J. Gregory: Darwin and Bradford – A Research Note
12.00 pm and afternoon	Lunch and Ilkley Walk: The Darwin Connection

¹ This talk will be followed by the 'School Event': Professor Steve Jones, 'Nature, Nurture or Neither: The View from the Genes' – The Barn (Horton Building)
