Learning Outcomes

Outcome Number	Description
O1	Demonstrate an advanced level of understanding and evaluate key concepts and theories of project implementation management in a development context;
O2	Demonstrate an advanced understanding of the role of the project manager and the arguments for different project organisation configurations;
O3	Evaluate critically options for project control and strategies for sustaining project benefits;
O4	Demonstrate an advanced understanding of project monitoring and control, contracting, procurement and outsourcing and project sustainability;
O5	Demonstrate an advanced understanding of the role of project managers, effective communication, teambuilding, different leadership styles, and change management;
O6	Apply inter-personal and communication skills in a variety of project planning and management settings;

Learning, Teaching and Assessment Strategy

This module uses a combination of lectures, seminars and directed reading. Lectures and presentations will develop key concepts and analytical techniques (LO 1, and also contribute to LOs 2,3,4,5,6, 7), while individual critical and analytical assignments is used to develop learning and reinforce and apply some of these tools to relevant examples and cases (LOs 2,3,4, 5, 6 and 7). Emphasis is placed on the use of case studies and reflections by you on your own working experience (LO 6).
Formative assessment will be undertaken through feedback on unassessed workshop exercises, and also on draft outlines of the group and individual assignments where requested.
Summative assessment will be through an individual coursework assignment which allows you to revise, apply and demonstrate specific project implementation management knowledge and competences (LO 1,2,3,4, and 7). The assessment assesses the achievement of all Learning Outcomes.

Mode of Assessment

Type	Method	Description	Weighting
Summative	Coursework - Written	Pearsons computer simulation on Procct Implementation	30%
Summative	Coursework - Written	Individual Assignment (2500 words)	70%
Formative	Coursework	Tutor support and feedback on assignments	N/A
Formative	Coursework	Tutor support and feedback on workshops	N/A
